Please choose the level you require.

Level 3 (Service Equipment Operators)

Level 4 (Well Intervention Supervisors)

Please choose what type of IWCF Test you would like to take as listed below.

Wireline Operations

Coil Tubing Operations

Snubbing Operations

Note: This Certification programme is available as four options: -

- a) Well Intervention Coiled Tubing Operations.
- b) Well Intervention Wireline Operations.
- c) Well Intervention Snubbing Operations.
- d) Well Intervention 'Combination'. This option includes any two or three of the options described above.

The candidate may choose which certification, i.e. snubbing, or wireline, or coiled tubing he or she requires. Candidates are advised not to attempt to certify in more than one type of operation unless it is required for specific job duties because when attempting a combination of two or more options, all options must be successfully completed before certification can be awarded.

Please note that, for the Unit of Calculation, this course will be conducted in API (field unit, barrel, psi, foot) only.
